- D) Extra and beyond what is required

153. TRACK

- A) To lose the path of something
- ✓ B) To follow or monitor the progress of something
- C) To destroy the record of past events
- D) To ignore the movement of something

154. OUTCOME

- A) The initial conditions of a situation
- B) The plan made before an event
- ✓ C) The result or effect of something
- D) A theory about what might happen

155. EXPLOIT

- A) To protect someone from being used
- ✓ B) To use something or someone unfairly for gain
- C) To refuse to benefit from a resource
- D) To share resources equally with others

156. RESEARCHER

- A) A person who teaches at a primary school
- ✓ B) A person who studies and investigates topics
- C) A writer who creates fictional stories
- D) A politician who creates public policy

157. MOLECULE

- A) The nucleus of an atom
- B) The smallest unit of a chemical element
- ✓ C) A group of atoms bonded together
- D) A large cluster of unrelated atoms

158. PHOTOGRAPH

- A) A painting made with oil and canvas
- B) A printed copy of a written text
- ✓ C) An image captured by a camera
- D) A digital drawing made on a computer

159. TRAIL

- A) A wide road for heavy traffic
- ✓ B) A narrow path through nature
- C) A large open field with no paths
- D) A series of buildings in a row

160. REPRODUCE

- A) To permanently destroy all copies
- ✓ B) To make a copy or produce offspring
- C) To create something entirely new
- D) To reduce the size of something

161. THREAT

- A) A warm and encouraging message
- ✓ B) A statement of intent to cause harm
- C) An official agreement between parties
- D) A generous offer of assistance

162. LEGEND

- A) A well-researched scientific fact
- ✓ B) A traditional story about the past; a key on a map
- C) A recent event that everyone witnessed
- D) A private story shared between two people

163. MARINE

- A) Related to high mountain environments
- B) Concerning deserts and dry climates
- ✓ C) Relating to the sea or ocean
- D) Connected to underground cave systems

164. PERFUME

- A) A very loud and unpleasant noise
- B) A strong and harsh chemical substance
- ✓ C) A pleasant liquid with a nice scent
- D) A bitter taste on the tongue

165. IDENTIFY

- A) To confuse two things with each other
- B) To hide the nature of something
- ✓ C) To recognize and name something
- D) To destroy the evidence of identity

166. RESEMBLE

- A) To be completely different from something
- ✓ B) To look or be similar to something
- C) To replace one thing with another
- D) To confuse two unrelated things

167. ESTIMATE

- A) To know the exact value precisely
- B) To refuse to make any calculation
- ✓ C) To make an approximate judgment of something
- D) To ignore the size of something

168. PHOTOGRAPHIC

- A) Relating to sound recordings
- B) Concerning written records only
- ✓ C) Relating to photography and images
- D) About digital art and design

169. DENSITY

- A) The amount of empty space in an object
- B) The degree of lightness of a material
- ✓ C) The amount of matter in a given volume
- D) The speed at which something moves

170. AGRICULTURE

- A) The study of rocks and minerals
- B) The science of computing and software
- ✓ C) The practice of farming and growing food
- D) The construction of buildings and roads

171. PUBLISH

- A) To keep something secret and hidden
- ✓ B) To make information available to the public
- C) To destroy all printed copies
- D) To privately store written work

172. INITIAL

- A) Relating to the final stage of something
- B) Happening near the middle of a process
- ✓ C) Occurring at the beginning; first
- D) Relating to the most difficult part

173. VIBRATION

- A) A slow and steady movement in one direction
- B) A complete absence of any movement
- ✓ C) A rapid back-and-forth movement
- D) A single sudden burst of motion

174. STICKY

- A) Completely smooth and slippery
- B) Hard and completely rigid in texture
- ✓ C) Tending to adhere to surfaces
- D) Dry and free of all moisture

175. HATCH

- A) To seal something permanently shut
- ✓ B) To emerge from an egg; to plan secretly
- C) To freeze something to preserve it
- D) To destroy an egg before it opens

176. FLEXIBLE

- A) Completely rigid and impossible to bend
- ✓ B) Able to bend without breaking; adaptable
- C) Too fragile to be used in any way
- D) Fixed and unable to change form

177. FORMATION

- A) The complete destruction of a structure
- B) A random and disorganized arrangement
- ✓ C) The way something is structured or arranged
- D) The process of breaking apart a system

178. STRIKE

- A) To gently touch without applying force
- ✓ B) To hit something with force; workers stop work
- C) To carefully avoid contact with something
- D) To slowly move toward an object

179. BANG

- A) A quiet and barely audible whisper
- ✓ B) A very loud sudden noise or hit
- C) A soft and gentle tap on a surface
- D) A slow and gradual build of sound

180. THREATEN

- A) To strongly encourage and support
- B) To express love and appreciation
- ✓ C) To warn of intent to harm or punish
- D) To offer protection and safety

181. IMPOSE

- A) To offer something as a free choice
- ✓ B) To force something on someone
- C) To remove a previously set rule
- D) To suggest something without insisting

182. BIND

- A) To cut something into small pieces
- B) To separate two things that were connected
- ✓ C) To tie or fasten things together
- D) To dissolve a substance in liquid

183. MAGNETIC

- A) Repelling all metal objects nearby
- ✓ B) Having the property of attracting iron
- C) Conducting electricity through a wire
- D) Producing heat when activated

184. OXYGEN

- A) A gas that prevents burning and fire
- B) A toxic gas found only underground
- ✓ C) A colorless gas essential for breathing
- D) A heavy liquid metal at room temperature

185. SCHEDULE

- A) A random list of unrelated events
- ✓ B) A plan showing times of events or tasks
- C) A summary of past completed events
- D) A wish list of future desires

186. SPONSOR

- A) A person who actively opposes a project
- ✓ B) A person or company that supports an event financially
- C) Someone who evaluates a project's success
- D) A person who criticizes another's work

187. IMPLICATION

- A) A direct and clearly stated fact
- ✓ B) Something suggested but not directly stated
- C) An official announcement to the public
- D) A complete denial of any connection

188. DEMOCRACY

- A) A system ruled by a single powerful king
- B) A government controlled by the military
- ✓ C) A system of government by elected representatives
- D) A government with no laws or structure

189. APPLIANCE

- A) A large piece of outdoor furniture
- ✓ B) A tool or machine used in the home
- C) A form of medical treatment
- D) A type of decorative wall painting

190. EXPLOSIVE

- A) Something that burns very slowly
- ✓ B) A substance or device that can explode
- C) A liquid that dissolves other materials
- D) A gas that cools the surrounding air

191. UNCONSCIOUS

- A) Fully awake and aware of surroundings
- ✓ B) In a state of not being aware
- C) Very alert and paying close attention
- D) Extremely tired but still awake

192. LEAN

- A) To stand perfectly upright and straight
- B) To be overweight and well-fed
- ✓ C) To rest against something; thin and healthy
- D) To move away from a surface quickly

193. RECOGNISE

- A) To fail to identify something known
- B) To see something for the very first time
- ✓ C) To identify something as known before
- D) To confuse two similar things

194. STROKE

- A) A light tap that causes no sensation
- ✓ B) A gentle movement of the hand; a medical event
- C) A very loud noise against a surface
- D) A forced separation of two things

195. DEMONSTRATE

- A) To hide or conceal something clearly
- ✓ B) To clearly show or prove something
- C) To deny that something exists
- D) To keep a skill completely secret

196. UNIQUE

- A) Very common and seen everywhere
- B) Identical to many other things
- ✓ C) Being the only one of its kind
- D) A copy of an original item

197. THROUGHOUT

- A) Only at the beginning of something
- ✓ B) In every part of; all the way through
- C) Only at the very end of something
- D) Limited to a specific small section

198. TRACE

- A) To completely erase all signs of something
- ✓ B) To find or follow evidence of something
- C) To create something entirely from scratch
- D) To ignore any available clues

199. SCALE

- A) A complete absence of measurement
- ✓ B) The size or extent of something
- C) A fixed and unchanging quantity
- D) The smallest possible unit of measure

200. REFINE

- A) To make something cruder and less precise
- ✓ B) To improve and make something more precise
- C) To destroy something and start again
- D) To keep something exactly as it is

201. INCIDENT

- A) A planned and expected routine event
- B) A remarkable and positive achievement
- ✓ C) An unplanned event, often negative
- D) A formal ceremony or celebration

202. CRITERIA

- A) A single random preference
- ✓ B) Standards used for judging or deciding
- C) A final decision that cannot be changed
- D) A list of optional suggestions

203. DESTROY

- A) To carefully build and preserve something
- B) To repair something that is broken
- ✓ C) To damage something so badly it cannot be used
- D) To store something safely for later

204. EVENTUALLY

- A) Immediately and without any delay
- B) Never happening under any circumstances
- ✓ C) In the end, after a period of time
- D) At the very beginning of a process

205. COLONY

- A) An independent nation with full sovereignty
- ✓ B) A settlement under the control of another country
- C) A temporary camp with no permanent residents
- D) A military base in a foreign country

206. TRADITION

- A) A brand-new practice being introduced
- ✓ B) A custom or belief passed down over generations
- C) A law that changes every few years
- D) A modern invention with no history

207. TEMPORARY

- A) Lasting forever without any end
- B) Permanent and impossible to change
- ✓ C) Lasting for only a limited time
- D) Very old and from a distant era

208. APPROPRIATE

- A) Completely wrong for the situation
- B) Too formal for the occasion
- ✓ C) Suitable and right for the situation
- D) Outdated and no longer relevant

209. CONFLICT

- A) Mutual cooperation between rival groups
- B) Strong emotional attachment to someone
- C) Official agreement made after negotiation
- ✓ D) Serious disagreement or clash between people

210. FEATHER

- A) The hard outer shell of an insect
- B) The thick fur covering a mammal
- ✓ C) A light structure forming a bird's covering
- D) The rough skin of a reptile

211. PRECIOUS

- A) Very cheap and easily replaced
- ✓ B) Of great value or importance
- C) Common and found everywhere
- D) Broken and in need of repair

212. HORIZON

- A) The highest peak of a mountain range
- ✓ B) The line where the earth meets the sky
- C) The deepest part of an ocean floor
- D) The center of a very large city

213. YOUTH

- A) The period of old age and retirement
- B) The stage of middle age and experience
- ✓ C) The period of being young
- D) The time just before death

214. DOMESTIC

- A) Foreign and from another country
- B) Wild and found only in nature
- ✓ C) Related to the home or one's own country
- D) International and spanning many nations

215. INTENSIVE

- A) Very gentle and requiring little effort
- ✓ B) Highly concentrated and requiring much effort
- C) Spread out over a long time period
- D) Minimal and using very few resources

216. DIVORCE

- A) A formal agreement to start a marriage
- ✓ B) The legal end of a marriage
- C) A renewal of wedding vows
- D) A temporary separation during arguments

217. CURIOSITY

- A) A complete lack of interest in things
- ✓ B) A strong desire to know or learn
- C) A fear of unknown situations
- D) Boredom with routine activities

218. DELIGHT

- A) A feeling of deep sadness and regret
- B) A strong feeling of anger
- ✓ C) A feeling of great pleasure or joy
- D) A state of numbness and indifference

219. DEPOSIT

- A) To permanently remove money from a bank
- ✓ B) To place something in a location; money placed in a bank
- C) To destroy a layer of material
- D) To remove a sediment from a surface

220. RENDER

- A) To take something away permanently
- B) To make something impossible to do
- ✓ C) To cause something to be in a certain state
- D) To store something for future use

221. EXPECTATION

- A) A complete surprise with no prior warning
- ✓ B) A belief that something will happen
- C) A fear that something will go wrong
- D) A memory of something already past

222. MILITARY

- A) Related to civilian and public life
- ✓ B) Relating to the armed forces
- C) Connected to business and trade
- D) Concerning academic and scholarly life

223. ATTRIBUTE

- ✓ A) A feature or quality belonging to something
- B) A problem caused by external factors
- C) Something unrelated to its subject
- D) A defect that reduces quality

224. CONTRACT

- A) An informal verbal agreement
- ✓ B) A legal written agreement between parties
- C) A personal favor done for a friend
- D) A suggestion made without obligation

225. VEHICLE

- A) A machine used to transmit signals
- B) A device for storing large amounts of data
- ✓ C) A machine used to transport people or goods
- D) A structure used to hold liquids

226. UNIVERSE

- A) A single planet in the solar system
- B) The area within a single galaxy
- ✓ C) All existing matter, space, and energy
- D) The atmosphere surrounding the earth

227. SURROUND

- A) To move away from all sides
- ✓ B) To be on all sides of something
- C) To block only one side of something
- D) To avoid something entirely

228. SELECTION

- A) A forced assignment with no choice
- B) The refusal to choose any option
- ✓ C) The process of choosing from options
- D) A random outcome with no thought

229. SURVIVAL

- A) The act of giving up in a crisis
- B) The state of thriving in all conditions
- ✓ C) The process of continuing to exist despite hardship
- D) The quick and easy end of a problem

230. INDIVIDUAL

- A) A large group of people acting together
- ✓ B) A single person or thing
- C) An official organization with many members
- D) A pair of people working as a team

231. STREAM

- A) A large deep ocean with no current
- B) A still body of water with no movement
- ✓ C) A small narrow flowing body of water
- D) A frozen expanse of water and ice

232. INSTITUTION

- A) A temporary event lasting one day
- B) A private informal gathering of friends
- ✓ C) An established organization or system
- D) A personal habit with no public role

233. PRIMARILY

- A) At the very last stage of a process
- B) Equally shared between many options
- ✓ C) Mainly or for the most part
- D) Only in very rare and special cases

234. DISTINCT

- A) Blended together with no clear difference
- ✓ B) **Clearly different or separate**
- C) Identical in every possible way
- D) Vague and hard to define

235. GENERATE

- A) To consume and use up resources
- B) To destroy something that exists
- ✓ C) **To produce or create something**
- D) To store something without using it

236. MARRIAGE

- A) A temporary business agreement
- ✓ B) **A legal union between two people**
- C) A formal friendship pact
- D) A religious ceremony without legal status

237. ASSOCIATE

- A) To clearly separate and distinguish things
- B) To avoid any connection with something
- ✓ C) **To connect or link things together**
- D) To deny any relationship between things

238. KNOT

- A) A smooth and flat surface with no bumps
- ✓ B) **A hard lump where something is fastened**
- C) A loose and untied piece of rope
- D) A straight line with no curves

239. MISSION

- A) A random task assigned without purpose
- ✓ B) **An important assignment or goal**
- C) A vacation trip with no objectives
- D) A failure to achieve any result

240. APPETITE

- A) A complete loss of all desire for food
- ✓ B) **A strong desire for food or something else**
- C) A medical condition related to digestion
- D) A feeling of fullness after eating

241. PRECAUTION

- A) An action taken after a problem occurs
- ✓ B) **Something done to prevent a problem in advance**
- C) A complete refusal to plan ahead
- D) An excuse used after something goes wrong

242. ABSOLUTE

- A) Partial and allowing exceptions
- B) Relative and depending on conditions
- ✓ C) **Complete with no exceptions or limits**
- D) Temporary and changing over time

243. COUNCIL

- A) A single advisor working alone
- ✓ B) A group of people elected to manage affairs
- C) A private business with no public role
- D) A personal decision made by one person

244. RESPECT

- A) A feeling of contempt for others
- B) The act of ignoring another's feelings
- ✓ C) A feeling of admiration and esteem
- D) A desire to dominate others

245. EFFECTIVE

- A) Failing to produce any result
- ✓ B) Producing the desired result successfully
- C) Using far more resources than needed
- D) Being almost but not quite successful

246. EXPERIMENTAL

- A) Based on proven and established facts
- ✓ B) Relating to testing and trying new things
- C) Completely certain and beyond doubt
- D) Traditional and following old methods

247. STRAIN

- A) A feeling of total relaxation
- ✓ B) A force that stretches or damages; stress
- C) A comfortable and easy situation
- D) A gentle and calming experience

248. RESISTANT

- A) Easily broken by small amounts of force
- ✓ B) Able to withstand or not be harmed by something
- C) Highly sensitive to changes in conditions
- D) Quickly damaged by heat or pressure

249. PRODUCTIVE

- A) Wasting time and producing nothing
- B) Producing a small but adequate result
- ✓ C) Achieving a great amount of output
- D) Avoiding all work and responsibilities

250. CONSUME

- A) To produce and create large quantities
- B) To save and store for future use
- ✓ C) To use up or eat something
- D) To preserve and protect from damage

251. ASSEMBLY

- A) A single person working in isolation
- ✓ B) A gathering of people or parts
- C) The process of separating components
- D) A tool used for taking things apart

252. EXCLUDE

- A) To welcome someone into a group
- B) To include everyone without exception
- ✓ C) To keep someone or something out
- D) To add extra members to a group

253. ACUTE

- A) Very mild and barely noticeable
- B) Long-term and gradually developing
- ✓ C) Sharp, severe, or very intense
- D) Distant and not immediately concerning

254. INTENSITY

- A) The weakness or mildness of something
- ✓ B) The degree of strength or force of something
- C) The absence of any energy or force
- D) The slowness with which something moves

255. CRACK

- A) A perfectly smooth and unbroken surface
- B) A very loud and constant noise
- ✓ C) A narrow break or split in something
- D) A soft and flexible material

256. CAPTURE

- A) To release something from your control
- B) To set something free from a trap
- ✓ C) To take hold of something or someone
- D) To avoid taking anything from anyone

257. CONTRIBUTE

- A) To take away from a shared resource
- ✓ B) To give something to a common purpose
- C) To refuse to share with others
- D) To use up all available resources

258. CONSIDERATION

- A) A quick and careless decision
- ✓ B) Careful thought given to something
- C) A complete ignoring of all factors
- D) A refusal to think about a matter

259. RATIO

- A) The total sum of two numbers added
- B) The difference between two values
- ✓ C) The relationship between two quantities
- D) The average of several numbers

260. SCHEME

- A) A completely random series of events
- ✓ B) A plan or system for achieving a goal
- C) An honest and transparent agreement
- D) A refusal to make any plans

261. DISPUTE

- A) A formal agreement signed by all parties
- B) A peaceful and cooperative discussion
- ✓ C) A disagreement or argument between parties
- D) A shared plan to work together

262. CYCLE

- A) A straight-line sequence of events
- B) A single event that happens only once
- ✓ C) A series of events that repeat regularly
- D) A random pattern with no order

263. PRODUCTION

- A) The consumption and use of goods
- ✓ B) The process of making or creating something
- C) The storage of unused materials
- D) The destruction of manufactured goods

264. COMPOUND

- A) A single pure element with one type of atom
- ✓ B) A thing made of two or more elements
- C) A substance that cannot be broken down
- D) A completely simple and basic material

265. SHUTTLE

- A) A very slow and heavy vehicle
- ✓ B) A vehicle used for short regular journeys
- C) A large cargo ship crossing oceans
- D) A permanent structure that never moves

266. TREMENDOUS

- A) Very small and barely noticeable
- B) Ordinary and without special quality
- ✓ C) Very great in size, amount, or power
- D) Weak and without lasting effect

267. SATELLITE

- A) A large planet orbiting a star
- ✓ B) An object orbiting a planet or star
- C) A spacecraft that travels between stars
- D) A tool used to measure air pressure

268. ORBIT

- A) To fall directly toward a planet
- ✓ B) To travel in a curved path around something
- C) To remain completely still in space
- D) To escape the gravity of a planet

269. ERA

- A) A single moment in time
- B) A recurring event every few years
- ✓ C) A long and distinct period of history
- D) A very short and quickly passing event

270. TERRITORY

- ✓ A) An area of land under someone's control
- B) A building owned by a government
- C) A single person's private home
- D) An invisible line between countries

271. INVADE

- A) To peacefully negotiate with a country
- B) To retreat from an occupied area
- ✓ C) To enter a place without permission by force
- D) To offer aid to a struggling nation

272. PROTEIN

- A) A type of fat that stores energy
- ✓ B) A large molecule essential for body functions
- C) A simple sugar used for quick energy
- D) A mineral found in rocks and soil

273. STIMULATE

- A) To reduce activity to its minimum
- ✓ B) To encourage or activate something
- C) To put something to sleep or rest
- D) To remove all energy from a system

274. SEQUENCE

- A) A random and unordered collection
- B) A single isolated event with no context
- ✓ C) A series of things in a particular order
- D) A mixture of items with no structure

275. CONSTANT

- A) Changing frequently and unpredictably
- B) Occurring only once in a while
- ✓ C) Remaining the same without changing
- D) Disappearing after a short period

276. SYMPTOM

- A) The root cause of a disease
- ✓ B) A sign that indicates a disease or problem
- C) The cure for a medical condition
- D) The prevention of an illness

277. VIOLENT

- A) Calm and completely free from aggression
- ✓ B) Involving physical force intended to hurt
- C) Gentle and soft in all interactions
- D) Peaceful and avoiding all conflict

278. SENSITIVE

- A) Completely unresponsive to any stimuli
- B) Unable to feel pain or emotion
- ✓ C) Easily affected or able to detect small changes
- D) Tough and resistant to all influences

279. AGGRESSIVE

- A) Extremely calm and easy to get along with
- B) Avoiding any kind of confrontation
- ✓ C) Ready to attack or confront in a forceful way
- D) Gentle and supportive in all situations

280. UNDOUBTEDLY

- A) With great uncertainty and doubt
- B) Possibly but without much confidence
- ✓ C) Without any doubt; certainly
- D) Only under specific rare conditions

281. CONSIDERABLE

- A) Very small and barely significant
- ✓ B) Large enough to deserve attention
- C) Completely irrelevant and unimportant
- D) Too tiny to be worth measuring

282. ORGAN

- A) A type of musical scale or note
- ✓ B) A part of the body with a specific function
- C) A machine that produces electricity
- D) A tool used in chemical experiments

283. ORGANISM

- A) A non-living chemical compound
- B) A machine that imitates life processes
- ✓ C) A living thing that can function independently
- D) A rock or mineral found in nature

284. FUNDAMENTAL

- A) Optional and not really important
- B) Relating to advanced and complex ideas
- ✓ C) Forming the basic and essential foundation
- D) Rare and only found in special cases

285. REGULATE

- A) To remove all rules from a system
- B) To let something grow without any control
- ✓ C) To control or supervise something by rules
- D) To increase the speed beyond limits

286. COMPONENT

- A) A complete and finished product
- ✓ B) A part of a larger system or whole
- C) The final step in a long process
- D) An external factor not related to a system

287. BARRIER

- A) An open pathway with no obstacles
- ✓ B) Something that blocks or prevents progress
- C) A tool used to measure distances
- D) A connection between two separate things

288. CONVERT

- A) To keep something exactly as it is
- B) To destroy something beyond use
- ✓ C) To change something into a different form
- D) To duplicate something exactly

289. SUFFICIENT

- A) Far too much beyond what is needed
- B) Barely present and almost nothing
- ✓ C) Enough for the required purpose
- D) Completely absent and missing

290. PSYCHOLOGY

- A) The study of rocks and the earth's structure
- ✓ B) The study of the human mind and behavior
- C) The science of living organisms
- D) The branch of medicine treating bones

291. RAPIDLY

- A) Very slowly and taking a long time
- B) Gradually and steadily over time
- ✓ C) Quickly and in a short amount of time
- D) Randomly and without any schedule

292. PRIMITIVE

- A) Advanced and highly developed
- B) Modern and using the latest technology
- ✓ C) At an early and simple stage of development
- D) Complex and difficult to understand

293. ELSEWHERE

- A) Right here in this exact location
- B) Nowhere at all; nonexistent
- ✓ C) In or to another place
- D) Only in this specific place

294. ALTER

- A) To keep something unchanged forever
- ✓ B) To make something different; to change
- C) To strengthen something without changing it
- D) To delete something permanently

295. INFANT

- A) A child who is entering their teenage years
- B) An elderly person needing special care
- ✓ C) A very young child or baby
- D) A young adult leaving home

296. DECADE

- A) A period of one hundred years
- B) A period of five years
- ✓ C) A period of ten years
- D) A period of twenty-five years

297. HISTORICAL

- A) Relating to imaginary future events
- B) Concerning present-day affairs only
- ✓ C) Relating to past events and history
- D) About predictions of future events

298. CIRCUMSTANCE

- A) A deliberate and planned decision
- B) A factor that is completely irrelevant
- ✓ C) A condition or fact affecting a situation
- D) A random event with no connection

299. FAMINE

- A) An abundance of food everywhere
- ✓ B) A period of extreme food shortage
- C) A celebration of a successful harvest
- D) A disease affecting farm animals

300. CONSEQUENCE

- A) The original cause of an event
- B) A planned result that was expected
- ✓ C) A result or effect of an action
- D) The beginning of a series of events

301. INJURE

- A) To heal and repair damage to a body
- B) To protect someone from all harm
- ✓ C) To cause physical harm or damage
- D) To strengthen something against damage

302. ULTIMATELY

- A) At the very start of a process
- B) In the middle of a series of events
- ✓ C) In the end or as the final result
- D) Only temporarily and for a short time

303. ADJUST

- A) To leave something completely unchanged
- B) To destroy something that was working
- ✓ C) To make small changes to improve something
- D) To increase the size dramatically

304. TABLET

- A) A large and heavy desktop computer
- ✓ B) A flat portable computing device; a pill
- C) A device used only for phone calls
- D) A type of printed paper document

305. EVALUATE

- A) To ignore the quality of something
- B) To randomly assign a score to something
- ✓ C) To assess or judge the value of something
- D) To create something without any review

306. STABILITY

- A) A state of constant and rapid change
- B) A complete loss of all structure
- ✓ C) The quality of being firm and not changing
- D) The tendency to collapse unexpectedly

307. AMONGST

- A) Completely separate from all others
- B) Far away and at a great distance
- ✓ C) In the middle of or surrounded by
- D) Above and higher than everything

308. ASSISTANCE

- A) The act of making something harder
- B) A refusal to help someone in need
- ✓ C) Help or support given to someone
- D) An obstacle placed in someone's way

309. VOLUME

- A) The weight of an object or substance
- B) The length of a flat surface
- ✓ C) The amount of space something occupies
- D) The temperature of a substance

310. LIQUID

- A) A solid material with a fixed shape
- B) A gas that fills any container
- ✓ C) A substance that flows and takes its container's shape
- D) A hard material that does not flow

311. TRANSFORM

- A) To keep something exactly as it was
- B) To make something slightly worse
- ✓ C) To completely change the form of something
- D) To slowly reduce something in size

312. CRUST

- A) The liquid center of the earth
- ✓ B) The outer layer of the earth or bread
- C) The gaseous atmosphere above the earth
- D) The deep underground mantle layer

313. HARSH

- A) Very gentle and easy to bear
- B) Soft and pleasant to the touch
- ✓ C) Very severe and difficult to endure
- D) Warm and welcoming in nature

314. SHED

- A) To collect and store things carefully
- ✓ B) To lose or drop something naturally
- C) To permanently add something to a body
- D) To grow new parts to replace old ones

315. COMMIT

- A) To avoid any responsibility or obligation
- B) To refuse to carry out a task
- ✓ C) To carry out or dedicate yourself to something
- D) To escape from a previous agreement

316. DOCUMENT

- A) To erase all records of an event
- ✓ B) To record or write down information
- C) To destroy evidence of past events
- D) To keep something entirely secret

317. INTEND

- A) To act completely without any purpose
- ✓ B) To have a plan or purpose in mind
- C) To forget what you were going to do
- D) To deliberately avoid doing something

318. IGNORE

- A) To pay very close attention to something
- B) To investigate something thoroughly
- ✓ C) To deliberately pay no attention to something
- D) To respond immediately to something

319. PREJUDICE

- A) A fair and open-minded judgment
- B) An opinion formed after careful research
- ✓ C) An unfair opinion formed without proper knowledge
- D) A conclusion based on solid evidence

320. ENTIRE

- A) Only a small portion of something
- B) The middle section without edges
- ✓ C) Complete; whole; without any part missing
- D) The lesser half of something

321. PREVIOUSLY

- A) At some point in the future
- B) At the current moment in time
- ✓ C) At an earlier time; before now
- D) Immediately after this event

322. TRIAL

- A) A final and definitive conclusion
- ✓ B) A formal test or legal proceeding
- C) A guaranteed success without testing
- D) A private agreement without documentation

323. CREW

- ✓ A) A group of people working together
- B) A single captain on a ship
- C) The passengers on an aircraft
- D) The owners of a business

324. EMERGENCY

- A) A well-planned and routine event
- ✓ B) A situation requiring immediate action
- C) A slow and gradual problem developing
- D) A minor inconvenience easily resolved

325. EASE

- A) Difficulty and great effort required
- ✓ B) Comfort and freedom from pain or effort
- C) Tension and anxiety about a situation
- D) Hardship that cannot be avoided

326. DISTRESS

- A) A feeling of great comfort and joy
- ✓ B) Extreme unhappiness or danger
- C) A mild feeling of slight worry
- D) Complete satisfaction with a situation

327. ROOT

- A) The highest and most visible part of a plant
- ✓ B) The underground part that anchors a plant
- C) The outer bark that protects a tree
- D) The flower that blooms in spring

328. TIGHT

- A) Completely loose and freely moving
- ✓ B) Held or fitting very firmly
- C) Soft and easily stretched
- D) Widely spread with lots of space

329. RESTRICTION

- A) Complete freedom to do as one wishes
- B) An encouragement to do more
- ✓ C) A rule that limits what you can do
- D) A reward for following rules

330. FRAGMENT

- A) A very large and complete whole
- ✓ B) A small broken-off piece of something
- C) A perfectly formed complete object
- D) A duplicate of an original item

331. FOUNDATION

- A) The highest and most visible structure
- B) A decorative element on a building's facade
- ✓ C) The base or underlying support for something
- D) The final layer added to a structure

332. CELEBRATION

- A) A time of mourning and sadness
- B) A period of hard work and sacrifice
- ✓ C) A joyful event marking a special occasion
- D) A quiet and private moment of reflection

333. SECONDARY

- A) The most important thing of all
- B) Completely irrelevant and unnecessary
- ✓ C) Of less importance than the primary thing
- D) The first and most critical step

334. DEFEND

- A) To attack something aggressively
- B) To abandon something in its time of need
- ✓ C) To protect something from harm or attack
- D) To surrender without any fight

335. VISION

- A) The inability to see anything
- ✓ B) The ability to see; a plan for the future
- C) A complete darkness with no light
- D) The loss of all future goals

336. PROPERTY

- A) Something borrowed temporarily from others
- ✓ B) Something you own or a quality of something
- C) Something that belongs to no one
- D) A debt owed to another person

337. UNWILLING

- A) Very eager and ready to participate
- B) Completely indifferent either way
- ✓ C) Not wanting to do something
- D) Forced to do something against your will

338. MAINTENANCE

- A) The complete destruction of a system
- ✓ B) The process of keeping something in good condition
- C) The act of building something from scratch
- D) The replacement of all old equipment

339. INTERIOR

- A) The outer surface facing the outside world
- B) The visible and public front of a building
- ✓ C) The inner part of something
- D) The highest point of a structure

340. COMPRESS

- A) To expand something to a larger size
- B) To stretch something beyond its limit
- ✓ C) To press or squeeze something into a smaller space
- D) To make something lighter and less dense

341. CHAMBER

- A) An outdoor open-air space
- B) A solid block of material with no openings
- ✓ C) A room or enclosed space
- D) A moving platform between floors

342. DENSE

- A) Very light and spread out thinly
- B) Empty and containing almost nothing
- ✓ C) Closely packed or thick
- D) Completely transparent with no substance

343. LUNG

- A) An organ in the brain controlling thought
- ✓ B) A breathing organ in the chest
- C) A muscle in the leg for movement
- D) An organ that filters blood in the abdomen

344. VISIBLE

- A) Completely hidden from any view
- B) Impossible to detect by any sense
- ✓ C) Able to be seen; in plain sight
- D) Only detectable by special equipment

345. CONSIST

- A) To be missing essential components
- ✓ B) To be made up of certain parts or elements
- C) To exist independently of all other things
- D) To reject all included elements

346. RIDDLE

- A) A straightforward question with one answer
- B) A clear and simple explanation
- ✓ C) A question or puzzle with a clever answer
- D) A mathematical calculation to solve

347. INVISIBLE

- A) Visible from a great distance away
- ✓ B) Unable to be seen; hidden from view
- C) Extremely bright and easy to notice
- D) Very large and impossible to miss

348. TOLERATE

- A) To strongly oppose and fight against
- ✓ B) To accept something you dislike without complaining
- C) To enthusiastically enjoy something
- D) To completely refuse to accept anything

349. DOSE

- A) An unlimited supply of a substance
- ✓ B) A measured amount of medicine or substance
- C) A complete course of treatment
- D) A refusal to take any medication

350. BID

- ✓ A) To offer to pay for something; an attempt
- B) To refuse to make an offer for anything
- C) To accept a price without negotiation
- D) To give something away for free

351. DISTRIBUTE

- A) To collect everything in one central place
- ✓ B) To share or spread things among people
- C) To destroy excess material safely
- D) To keep everything for one person

352. REGISTER

- A) To remove a name from an official list
- ✓ B) To officially record or enroll something
- C) To hide information from authorities
- D) To forget to note important details

353. COURT

- A) A private garden with no legal functions
- ✓ B) A place where legal decisions are made
- C) A building used only for sports events
- D) An informal meeting between friends

354. ABUSE

- A) Treating someone or something with great care
- B) A fair and balanced way of handling things
- ✓ C) Cruel or unfair treatment of someone
- D) A kindly act done for another person

355. CONFIRM

- A) To create doubt about something
- B) To prove that something is untrue
- ✓ C) To establish that something is correct
- D) To deny the reality of something

356. TELESCOPE

- A) A device used to magnify very small objects
- B) A device for taking photographs
- ✓ C) An instrument for viewing distant objects
- D) A tool used to measure water depth

357. INVESTMENT

- A) The spending of money with no return
- B) The act of wasting resources needlessly
- ✓ C) Money put into something to gain future returns
- D) A gift given without expecting anything back

358. MANUFACTURE

- A) To buy goods from a foreign country
- B) To sell products to customers directly
- ✓ C) To make goods on a large scale
- D) To design products without producing them

359. MODIFY

- A) To leave something completely unchanged
- B) To destroy something beyond repair
- ✓ C) To make small changes to something
- D) To create something from nothing

360. DELAY

- A) To speed something up beyond schedule
- B) To complete something ahead of time
- ✓ C) To make something happen later than planned
- D) To cancel something permanently

361. MOUNT

- A) To come down from a high position
- B) To dig deep below the ground surface
- ✓ C) To climb or increase; to attach something
- D) To reduce in size or importance

362. ATOM

- A) A large cluster of different molecules
- ✓ B) The smallest unit of a chemical element
- C) A group of atoms forming a molecule
- D) A type of energy wave in physics

363. LEAP

- A) To slowly crawl along the ground
- B) To fall downward from a great height
- ✓ C) To jump or spring a great distance
- D) To sink below the surface quietly

364. PRESERVE

- A) To destroy something quickly
- B) To allow something to decay naturally
- ✓ C) To protect something from damage or decay
- D) To expose something to harmful elements

365. DISTANT

- A) Very close and within easy reach
- B) Right beside and next to you
- ✓ C) Far away in space or time
- D) Directly connected without any gap

366. HYDROGEN

- A) The heaviest element in the periodic table
- B) A rare metallic element found in rocks
- ✓ C) The lightest chemical element; makes water
- D) A dense gas found in volcanic areas

367. INFLUENTIAL

- A) Having very little effect on others
- B) Completely ignored by everyone
- ✓ C) Having a great effect on people or events
- D) Known only to a very small group

368. GATHER

- A) To scatter things widely in all directions
- B) To separate people or objects apart
- ✓ C) To collect things or people together
- D) To destroy what has been collected

369. RECOGNITION

- A) A failure to identify something known
- ✓ B) The act of acknowledging someone or something
- C) A deliberate refusal to notice others
- D) The complete forgetting of past events

370. DISTINGUISH

- A) To mix things together without difference
- B) To treat all things as exactly the same
- ✓ C) To recognize or tell the difference
- D) To ignore all differences between things

371. INFINITE

- A) Very large but having a definite end
- ✓ B) Having no limits or boundaries; endless
- C) Extremely small but measurable
- D) Limited to a specific timeframe

372. VARIATION

- A) Complete sameness in all aspects
- ✓ B) A difference or change from the standard
- C) A total absence of any change
- D) A rigid and fixed pattern of behavior

373. ELECTRONICS

- A) The study of mechanical engines
- ✓ B) The technology of electrical components
- C) The science of chemical reactions
- D) The engineering of large structures

374. REVISE

- A) To ignore work already done
- B) To destroy a previous version
- ✓ C) To review and improve something written
- D) To accept something without any changes

375. BLAME

- A) To give praise for something done well
- ✓ B) To hold someone responsible for a fault
- C) To ignore who caused a problem
- D) To reward someone for an error

376. DISAGREE

- A) To strongly support someone's opinion
- B) To completely change your own mind
- ✓ C) To have a different opinion from someone
- D) To pretend to agree while thinking differently

377. INTERPRET

- A) To deliberately misunderstand something
- ✓ B) To explain or understand the meaning of something
- C) To refuse to read any information
- D) To destroy the original meaning of text

378. ESTABLISHMENT

- A) The destruction of an old institution
- B) A temporary and quickly dissolving group
- ✓ C) A recognized organization or institution
- D) An informal gathering with no structure

379. OWNERSHIP

- A) The act of renting something temporarily
- B) The right to use something temporarily
- ✓ C) Legal possession of something
- D) The state of having no possessions

380. ATTITUDE

- A) A physical position of the body
- B) A belief held without any opinion
- ✓ C) A settled way of thinking or feeling
- D) A temporary mood that passes quickly

381. EMPHASIS

- A) The act of reducing the importance of something
- ✓ B) Special importance or stress given to something
- C) A complete disregard for what matters
- D) Equal treatment of all points made

382. COMPREHENSIVE

- A) Very narrow and focused on one thing only
- B) Covering only the most basic aspects
- ✓ C) Including all or most elements; thorough
- D) Deliberately leaving out important parts

383. RESERVE

- A) To give away all available supplies
- B) To use everything immediately
- ✓ C) To keep something for future use
- D) To destroy excess material

384. MONITOR

- A) To completely ignore all activity
- B) To deliberately avoid checking progress
- ✓ C) To regularly check on something
- D) To stop all observation of events

385. TRANSMIT

- A) To store information without sharing it
- B) To destroy a message before delivery
- ✓ C) To send or pass on information or signals
- D) To receive a message from another source

386. EXTRAORDINARY

- A) Very ordinary and completely normal
- B) Common and found everywhere
- ✓ C) Very unusual or exceptional
- D) Below average in every way

387. STEEP

- A) Very flat with no incline at all
- B) Gradually sloping in one direction
- ✓ C) Having a sharp rise or fall
- D) Completely level and even

388. VOLUNTARY

- A) Forced and done under compulsion
- B) Required by law or rules
- ✓ C) Done by free choice without obligation
- D) Mandatory and unavoidable

389. MAJORITY

- A) Less than half of a total group
- B) Exactly half of a group equally divided
- ✓ C) More than half of a total group
- D) A very tiny fraction of a larger group

390. ISOLATE

- A) To connect many things together
- B) To bring people closer together
- ✓ C) To separate something from others
- D) To mix things thoroughly together

391. FRIGHTEN

- A) To calm and reassure someone
- B) To comfort someone in distress
- ✓ C) To cause someone to feel afraid
- D) To encourage someone to be brave

392. INTERRUPT

- A) To allow something to continue smoothly
- B) To help a process reach completion
- ✓ C) To stop or break the flow of something
- D) To speed up a process that is stalling

393. PRECISION

- A) Great vagueness and approximation
- B) Complete randomness in measurements
- ✓ C) Exactness and accuracy in detail
- D) A wide margin of error accepted

394. EXTENSIVE

- A) Very small and covering little ground
- ✓ B) Covering a large area or range
- C) Limited to one very specific thing
- D) Narrow and highly focused

395. ENCOUNTER

- A) To deliberately avoid meeting someone
- ✓ B) To meet or come across someone or something
- C) To miss an expected meeting with someone
- D) To send a representative in your place

396. SUBMERGE

- A) To lift something above the water surface
- B) To float on the surface without sinking
- ✓ C) To go below the surface of water
- D) To dry something completely

397. BAY

- A) A large mountain surrounded by plains
- ✓ B) A curved area of water surrounded by land
- C) A deep underground cave system
- D) A wide and flat open desert

398. EXISTENCE

- A) The state of being absent or not real
- B) A fictional account of events
- ✓ C) The fact of being real or present
- D) The end of all living things

399. INVESTIGATE

- A) To ignore a problem and hope it resolves
- ✓ B) To carry out an inquiry to find facts
- C) To make up information about something
- D) To cover up the details of an event

400. TRANSPARENT

- A) Completely opaque and blocking all light
- B) Hidden from view and hard to find
- ✓ C) Clear; easy to see through or understand
- D) Very colorful and bright

401. COMPLICATE

- A) To simplify and make easier to understand
- ✓ B) To make something more difficult or complex
- C) To organize something in a logical way
- D) To remove unnecessary parts from something

402. AUTHORITY

- A) A state of having no power or influence
- ✓ B) The power or right to give orders
- C) A request made to a superior for help
- D) The complete absence of leadership

403. INSTANCE

- A) A general rule that has no examples
- ✓ B) A specific example of something
- C) A vague reference to nothing specific
- D) A long period of time passing

404. COUNTER

- A) To agree completely with an argument
- ✓ B) To respond to by saying the opposite
- C) To support and reinforce a point made
- D) To stay silent and say nothing

405. DIG

- A) To fill in a hole that already exists
- B) To move soil or earth upward
- ✓ C) To make a hole by moving earth
- D) To plant seeds into the ground

406. EXPERIMENT

- A) A proven theory with no uncertainty
- ✓ B) A test or trial to discover something
- C) A final conclusion accepted as fact
- D) A random guess about a result

407. UNDERGRADUATE

- A) A student who has completed their degree
- ✓ B) A student studying for their first degree
- C) A teacher at a university
- D) A researcher working on a PhD

408. FINANCE

- A) The management of physical resources
- ✓ B) The management of money and investments
- C) The study of human relationships
- D) The analysis of scientific data

409. THEORETICAL

- A) Based on proven real-world experiments
- B) Based on observations of actual events
- ✓ C) Based on theory rather than practice
- D) Completely practical and hands-on

410. UNDERTAKE

- A) To refuse any new responsibility
- B) To hand over a task to another person
- ✓ C) To begin and take responsibility for a task
- D) To avoid a difficult challenge

411. COMPETENCE

- A) A complete lack of skill and ability
- ✓ B) The ability to do something well
- C) A minor deficiency in a key skill
- D) The refusal to perform any task

412. MATHEMATICS

- A) The study of living organisms and cells
- ✓ B) The study of numbers, shapes, and quantities
- C) The science of chemical substances
- D) The investigation of historical events

413. PROMINENT

- A) Hidden from view and rarely seen
- B) Very small and easy to overlook
- ✓ C) Well-known and standing out clearly
- D) Unimportant and largely ignored

414. DESIRABLE

- A) Something nobody wants or needs
- ✓ B) **Something worth wanting or having**
- C) Something that causes harm or trouble
- D) Something that is unwanted and rejected

415. PREFERENCE

- A) A forced choice with no alternatives
- B) Equal liking for all available options
- ✓ C) **A greater liking for one thing over another**
- D) A complete dislike of all options

416. TONE

- A) The complete absence of any sound
- ✓ B) **The quality of voice or color in something**
- C) A single sharp and brief sound
- D) The loudness of a particular sound

417. MOVEMENT

- A) A complete and total state of stillness
- B) The act of staying fixed in one place
- ✓ C) **The act of moving or a group with a shared goal**
- D) The failure to travel anywhere

418. FENCE

- A) A wide road connecting two towns
- ✓ B) **A structure that encloses an area**
- C) A bridge built over a body of water
- D) A tunnel running under a mountain

419. BOUNDARY

- A) A central point inside a region
- ✓ B) **A line marking the limit of an area**
- C) An open space with no defined edges
- D) A path running through a territory

420. CONVERSELY

- A) In the same way as stated before
- ✓ B) **Introducing the opposite idea**
- C) Adding more evidence to the point
- D) Confirming what was said already

421. PROPORTION

- A) The equal weight of two objects
- B) The total number of all items
- ✓ C) **The relationship between parts and the whole**
- D) A random fraction chosen by chance

422. ACCOMPLISH

- A) To fail to complete an important task
- ✓ B) **To succeed in achieving a goal**
- C) To give up midway through a task
- D) To start something without finishing it

423. NURSERY

- A) A room where elderly people rest
- ✓ B) A room or place for young children or plants
- C) A medical room in a hospital
- D) A building used for cooking and food

424. EVOLUTION

- A) The sudden and complete change of species
- ✓ B) The gradual development of something over time
- C) A rapid and revolutionary new system
- D) The extinction of all previous forms

425. ENORMOUS

- A) Very small and barely visible
- B) Average and of moderate size
- ✓ C) Extremely large in size or degree
- D) Normal and within expected limits

426. BULK

- A) A very small and insignificant amount
- ✓ B) The largest or most important part of something
- C) A tiny fraction of a larger whole
- D) An evenly divided equal share

427. ADMISSION

- A) A refusal to allow someone to enter
- B) The act of excluding someone from a group
- ✓ C) Permission to enter or a confession
- D) A denial of any wrongdoing

428. ORGANIC

- A) Made entirely from artificial chemicals
- B) Produced using synthetic methods
- ✓ C) Relating to or derived from living matter
- D) Created through industrial manufacturing

429. EQUIPMENT

- A) The people working in an organization
- ✓ B) The tools or machines needed for a task
- C) The rules governing a workplace
- D) The plans made before starting work

430. ARTIFICIAL

- A) Made entirely by nature without human help
- ✓ B) Made by humans rather than nature
- C) Completely organic and chemical-free
- D) Found naturally in the environment

431. DISTINCTION

- A) The complete absence of any difference
- ✓ B) A quality that marks something as different or special
- C) The blending of all things together
- D) A similarity shared between two things

432. ARRANGE

- A) To scatter things randomly without order
- B) To destroy an existing organization
- ✓ C) To organize or plan something
- D) To ignore the order of things

433. DECLINE

- A) To increase in size and strength
- B) To improve and become better
- ✓ C) To decrease or refuse something
- D) To stay at a steady constant level

434. EAGLE

- A) A small domestic bird kept as a pet
- ✓ B) A large and powerful bird of prey
- C) A water bird that cannot fly
- D) A small bird known for its singing

435. DRAMATIC

- A) Quiet and without any noticeable change
- B) Gradual and barely perceptible
- ✓ C) Very sudden or striking in effect
- D) Dull and easy to ignore

436. ASSIST

- A) To block someone from completing a task
- B) To make a task harder for someone
- ✓ C) To help someone accomplish something
- D) To take over a task from someone

437. INNER

- A) Located on the outer surface of something
- B) Found at the far edge of something
- ✓ C) Located inside or toward the center
- D) Visible from the outside clearly

438. PORTION

- A) The complete and total whole of something
- ✓ B) A part or share of something larger
- C) Something that is more than the full amount
- D) A duplicate copy of the original

439. DEVOTE

- A) To take time away from an activity
- ✓ B) To give time or energy to a purpose
- C) To ignore a responsibility completely
- D) To half-heartedly attempt a task

440. REVISION

- A) The process of submitting final work
- B) Deliberately keeping mistakes uncorrected
- ✓ C) The act of reviewing and improving work
- D) Creating something brand new from scratch

441. LEISURE

- A) Time spent doing stressful work
- ✓ B) Free time for relaxation and enjoyment
- C) Busy time filled with obligations
- D) Time used for urgent responsibilities

442. PERSUADE

- A) To force someone against their will
- ✓ B) To convince someone through argument
- C) To confuse someone so they give up
- D) To ignore someone's point of view

443. CONSUMPTION

- A) The process of producing large quantities
- B) The storage of goods for future use
- ✓ C) The use or eating of something
- D) The creation of new resources

444. ACCOMMODATION

- A) A reason to reject someone's request
- ✓ B) A place to stay or an adjustment made
- C) A refusal to make any compromise
- D) An obstacle preventing settlement

445. POSTPONE

- A) To complete something well ahead of time
- B) To move something to an earlier time
- ✓ C) To delay something to a later time
- D) To cancel something permanently

446. BASEMENT

- A) The highest floor of a building
- B) The floor at ground level of a building
- ✓ C) The floor below ground level of a building
- D) The roof area at the top of a building

447. EXHIBIT

- A) To hide something from public view
- ✓ B) To display or show something publicly
- C) To destroy a collection of objects
- D) To store items in a private location

448. ARCHITECTURE

- A) The science of growing plants
- ✓ B) The design and construction of buildings
- C) The study of ancient human bones
- D) The process of mining natural resources

449. ACQUIRE

- A) To give away something you own
- B) To lose something you previously had
- ✓ C) To come to have or obtain something
- D) To share something with another person

450. GOVERN

- A) To follow instructions given by leaders
- B) To protest against all authority
- ✓ C) To control and guide a country or organization
- D) To give up all power voluntarily

451. DISPOSE

- A) To carefully collect and preserve things
- ✓ B) To get rid of or deal with something
- C) To add things to an existing collection
- D) To repair something that is broken

452. ELECTION

- A) The process of appointing without voting
- ✓ B) A formal process of choosing by voting
- C) A random method of selecting leaders
- D) A decision made by only one person

453. EXHIBITION

- A) A private collection seen by no one
- ✓ B) A public display of art or objects
- C) The destruction of a collection
- D) A secret showing to a select few

454. CONSTRUCT

- A) To take apart a structure piece by piece
- B) To destroy something already built
- ✓ C) To build or create something
- D) To plan without ever building

455. INFECT

- A) To clean and disinfect a surface
- B) To protect someone from disease
- ✓ C) To contaminate with disease or a virus
- D) To heal a wound and restore health

456. PREVIOUS

- A) Coming at some point in the future
- B) Happening right now in the present
- ✓ C) Coming before in time or order
- D) Happening at the same time as something else

457. AUTOMATIC

- A) Requiring constant manual operation
- ✓ B) Operating by itself without manual control
- C) Needing human input for every action
- D) Functioning only with a key or switch

458. TONGUE

- A) The hard bone at the top of the mouth
- ✓ B) The muscle in the mouth used for tasting and speaking
- C) The outer layer of the lips
- D) A small bone behind the teeth

459. VOLCANO

- A) A flat and level area of land
- B) A deep trench in the ocean floor
- ✓ C) A mountain that can erupt with lava
- D) A very large underground lake

460. CREEP

- A) To run at full speed across a surface
- ✓ B) To move very slowly and quietly
- C) To jump suddenly from a hidden position
- D) To fall heavily and make noise

461. CONVENTIONAL

- A) Very strange and unconventional
- B) Based on what is new and modern
- ✓ C) Following traditional or accepted standards
- D) Completely unique and unlike anything else

462. PROSPEROUS

- A) Poor and struggling financially
- B) Failing in all business ventures
- ✓ C) Successful and thriving financially
- D) Spending more than is earned

463. DISTRICT

- A) A single building within a city
- ✓ B) A defined area of a town or country
- C) An invisible boundary between countries
- D) A small informal gathering place

464. FACILITY

- A) A difficulty or obstacle to be overcome
- ✓ B) A building or place for a specific purpose
- C) A restriction placed on activities
- D) A personal skill learned over time

465. INVASION

- A) A peaceful visit to a neighboring country
- ✓ B) An armed attack and entry into a territory
- C) A formal diplomatic negotiation
- D) A trade agreement between nations

466. TRIBE

- A) A single family living in a house
- ✓ B) A group of people sharing culture and ancestry
- C) A formal government organization
- D) A military unit in an army

467. SUMMARY

- A) A long and detailed account of everything
- ✓ B) A brief statement of the main points
- C) A word-for-word copy of the original
- D) A personal opinion on a topic

468. OBJECTIVE

- A) Influenced by personal feelings
- B) Based entirely on one person's opinion
- ✓ C) **Not influenced by personal feelings; a goal**
- D) Completely biased toward one side

469. INSTINCT

- A) A learned skill developed through practice
- B) A deliberate and carefully planned action
- ✓ C) **A natural behavior or feeling without thinking**
- D) A decision made after long consideration

470. REACTION

- A) An action done first before anything else
- B) A planned step in a long strategy
- ✓ C) **A response to something that happened**
- D) The original cause of all later events

471. REFERENCE

- A) The act of ignoring all past sources
- ✓ B) **A mention or source used for information**
- C) A complete invention with no basis
- D) A personal opinion without any source

472. PRIOR

- A) Coming after something in time or order
- B) At the same moment as something else
- ✓ C) **Coming before something in time or order**
- D) Happening completely independently

473. RELIABLE

- A) Inconsistent and frequently failing
- ✓ B) **Able to be trusted to do what is needed**
- C) Unpredictable and hard to depend on
- D) Often wrong and giving bad results

474. IDENTIFICATION

- A) The process of hiding who someone is
- ✓ B) **The process of recognizing who someone is**
- C) The act of denying any connection
- D) A mistake in recognizing someone

475. CELEBRATE

- A) To mourn a sad or tragic event
- B) To ignore an important milestone
- ✓ C) **To mark a special occasion with joy**
- D) To privately remember something alone

476. RELIGIOUS

- A) Relating to science and rational inquiry
- ✓ B) **Relating to faith, worship, and belief in God**
- C) Concerning politics and government power
- D) About personal finances and wealth

477. SUBMIT

- A) To take back something already offered
- B) To refuse all requests from others
- ✓ C) To present or hand over something formally
- D) To secretly keep something from others

478. LEADERSHIP

- A) The act of following orders without question
- ✓ B) The ability to guide and direct others
- C) A refusal to take any responsibility
- D) The complete avoidance of decision making

479. REPRESENTATIVE

- A) Someone who avoids all public duties
- ✓ B) A person who acts on behalf of others
- C) An official who only serves themselves
- D) A private individual with no public role

480. INTERACTION

- A) The complete avoidance of all contact
- ✓ B) Communication or action between people
- C) The act of ignoring another person
- D) A one-sided action with no response

481. MECHANICAL

- A) Relating to emotions and feelings
- ✓ B) Related to machines and their workings
- C) Connected to natural biological systems
- D) Concerning artistic and creative processes

482. CORRIDOR

- A) A very large open room for gatherings
- ✓ B) A long narrow passage in a building
- C) A wide outdoor plaza between buildings
- D) A small enclosed private room

483. PHYSICIAN

- A) A scientist studying chemical reactions
- ✓ B) A doctor who treats medical conditions
- C) A specialist in mental health therapy
- D) A lawyer who handles medical cases

484. COMMITTEE

- A) A single person making all decisions
- ✓ B) A group appointed to oversee a task
- C) A large public gathering with no agenda
- D) A private firm with commercial goals

485. RESIDENCE

- A) A temporary workplace or office
- ✓ B) A place where someone lives
- C) A public building open to all
- D) A commercial space for business

486. PRELIMINARY

- A) The very last stage before completion
- B) The middle section of a long process
- ✓ C) Coming before the main event or stage
- D) The most important and final step

487. CALCULATE

- A) To guess without using any numbers
- ✓ B) To use mathematics to find an answer
- C) To ignore all numerical data
- D) To estimate without any accuracy

488. CRITIC

- A) A person who always supports everything
- ✓ B) A person who evaluates and judges something
- C) Someone who creates art and literature
- D) A person who never forms opinions

489. APPOINTMENT

- A) An unexpected and unplanned encounter
- ✓ B) A meeting arranged for a specific time
- C) A canceled event that never happened
- D) A casual and informal chat

490. IMMIGRATION

- A) The movement of people out of a country
- ✓ B) The movement of people into a new country
- C) Travel for tourism and short visits
- D) The internal movement between cities

491. ASSUMPTION

- A) A well-proven fact supported by data
- B) A conclusion based on solid evidence
- ✓ C) Something believed to be true without proof
- D) A formal decision made after investigation

492. CORPORATION

- A) A small self-employed individual
- ✓ B) A large company or group of companies
- C) A government department or ministry
- D) A non-profit charitable organization

493. FORMAL

- A) Relaxed and without any set rules
- B) Very casual and done without preparation
- ✓ C) Following official and conventional rules
- D) Spontaneous and unexpected in nature

494. FULFIL

- A) To fail to meet a requirement
- ✓ B) To carry out a duty or promise
- C) To ignore a commitment made before
- D) To pass a responsibility to someone else

495. FERTILE

- A) Dry and unable to support growth
- B) Barren and producing nothing
- ✓ C) Able to produce abundantly; productive
- D) Completely depleted of all nutrients

496. VERSION

- A) A completely original and unique creation
- ✓ B) A particular form or variant of something
- C) The final and unchangeable form
- D) An unrelated alternative to the original

497. PROPOSAL

- A) A firm rejection of any new idea
- ✓ B) A plan or suggestion put forward for consideration
- C) A final decision already acted upon
- D) An objection raised to an existing plan

498. THOROUGH

- A) Quick and missing many details
- B) Careless and paying no attention to detail
- ✓ C) Complete and including every detail
- D) Vague and leaving everything open

499. IMAGINATION

- A) The exact memorization of facts
- ✓ B) The ability to create new ideas mentally
- C) The recall of past experiences
- D) The analysis of existing real data

500. ENTRANCE

- A) The way out of a building or place
- ✓ B) A way in to a building or place
- C) A barrier preventing all movement
- D) A central room inside a building

501. INTELLIGENCE

- A) A complete lack of any mental capacity
- ✓ B) The ability to learn and understand things
- C) The refusal to learn from mistakes
- D) Memorizing facts without understanding

502. INVESTIGATION

- A) The act of hiding evidence from others
- ✓ B) A thorough examination to find truth
- C) A random search with no specific goal
- D) The acceptance of a story without checking

503. EVIDENT

- A) Hidden and very hard to detect
- B) Unclear and requiring more explanation
- ✓ C) Clearly seen or understood; obvious
- D) Possible but not yet confirmed

504. NUMEROUS

- A) Only a very small number of things
- B) Exactly the right number needed
- ✓ C) Existing in large quantities; many
- D) Rare and found in very few places

505. PERCENTAGE

- A) A whole number without fractions
- ✓ B) A proportion expressed as parts per hundred
- C) The total count of all items
- D) An exact measurement in fixed units

506. DISCIPLINE

- A) A complete lack of any order or control
- B) The freedom to act without any restriction
- ✓ C) Training and control of behavior; a field of study
- D) A reward given without any conditions

507. DYNAMIC

- A) Completely still and never changing
- ✓ B) Characterized by constant energy and change
- C) Very boring and predictable
- D) Fixed and resistant to any change

508. VESSEL

- A) A person who navigates a ship
- ✓ B) A container for liquids or a ship
- C) A tool used to steer a vehicle
- D) A document granting travel permission

509. OCCURRENCE

- A) Something that never happens
- B) A plan made before an event
- ✓ C) Something that happens; an event
- D) A deliberate prevention of events

510. TRANSMISSION

- A) The reception of a signal by a device
- B) The storage of data without sharing
- ✓ C) The sending of something from one place to another
- D) The blocking of a signal or message

511. INDICATE

- A) To hide evidence of something
- ✓ B) To point out or show something
- C) To remove all signs of something
- D) To deny that something exists

512. TENSION

- A) A state of complete relaxation
- ✓ B) Mental or physical strain; tightness
- C) A feeling of deep peace
- D) The loosening of something stretched

513. PHENOMENON

- A) A completely imaginary and fictional event
- ✓ B) A fact or event that can be observed
- C) A theory that has never been tested
- D) A private experience shared by no one

514. IMITATE

- A) To create something completely original
- B) To deliberately avoid copying others
- ✓ C) To copy or mimic someone or something
- D) To improve greatly on an original

515. POETRY

- A) Lengthy factual writing about history
- B) Scientific writing about experiments
- ✓ C) Literary work using rhythm and imagery
- D) News reports about current events

516. CONVENTION

- A) A highly unusual and radical practice
- ✓ B) An accepted way of doing things; a meeting
- C) A law that is never followed
- D) A random and temporary gathering

517. COMMENT

- A) A long and detailed formal document
- ✓ B) A remark or opinion about something
- C) Complete silence on a topic
- D) An official decree from an authority

518. PRINCIPAL

- A) The least important person or idea
- ✓ B) Most important; the head of a school
- C) A minor character with little influence
- D) A temporary and easily replaced element

519. REGARDLESS

- A) Paying close attention to the circumstances
- B) Taking everything into careful consideration
- ✓ C) Without being affected by circumstances
- D) Depending entirely on the situation

520. FRAMEWORK

- A) A random collection of unrelated ideas
- ✓ B) A system of rules or structure for something
- C) The finished product of a project
- D) The absence of any guiding structure

521. RELEVANT

- A) Having no connection to the matter at hand
- ✓ B) Closely connected to the subject being discussed
- C) Historical and no longer applicable
- D) Interesting but unrelated to the point

522. MATHEMATICAL

- A) Relating to literary and artistic expression
- B) Concerning music and rhythm patterns
- ✓ C) Relating to numbers and calculations
- D) About the study of past events

523. PRINCIPLE

- A) A minor detail easily overlooked
- ✓ B) A fundamental rule or belief
- C) A personal preference with no basis
- D) A suggestion that can be ignored

524. ELECTRON

- A) A positively charged particle in the nucleus
- B) A neutral particle found in the nucleus
- ✓ C) A negatively charged particle orbiting an atom
- D) The central core of an atom

525. FREQUENT

- A) Happening very rarely or almost never
- B) Occurring only once throughout history
- ✓ C) Happening often and regularly
- D) Taking place unpredictably sometimes

526. PHILOSOPHY

- A) The science of chemical reactions
- ✓ B) The study of fundamental questions about existence
- C) The analysis of political events
- D) The practice of religious worship

527. DERIVE

- A) To destroy the origin of something
- B) To hide where something comes from
- ✓ C) To obtain or develop from a source
- D) To create something without any basis

528. JUSTIFY

- A) To show that something is wrong or unfair
- ✓ B) To give reasons for something being right
- C) To ignore any need for explanation
- D) To deny all responsibility for an action

529. CONDUCT

- A) To passively observe without any action
- ✓ B) To organize and carry out something
- C) To deliberately avoid participation
- D) To destroy something already in progress

530. OPPOSE

- A) To strongly agree with an idea or plan
- B) To be completely indifferent about something
- ✓ C) To be against or resist something
- D) To support without any reservation

531. ASSIGN

- A) To remove a task from someone's duties
- ✓ B) To give a task or responsibility to someone
- C) To complete a task for another person
- D) To ignore the needs of the group

532. RENEW

- A) To permanently cancel a subscription
- ✓ B) To make something old completely new again
- C) To use up the last of a resource
- D) To abandon something without replacement

533. MOTIVATION

- A) A reason to give up and stop trying
- ✓ B) The desire or reason to do something
- C) A feeling of complete hopelessness
- D) A punishment for failing to act

534. DESTRUCTION

- A) The careful building of a new structure
- B) The slow and gradual repair of something
- ✓ C) The complete ruining or demolishing of something
- D) The preservation of something old

535. FREEDOM

- A) The state of being controlled by others
- B) The complete absence of any rights
- ✓ C) The power to act without restriction
- D) A strong obligation to obey all rules

536. CURVE

- A) A perfectly straight line with no bend
- ✓ B) A line or surface that bends
- C) A sharp right angle of ninety degrees
- D) A completely flat and level surface

537. SCULPTURE

- A) A two-dimensional painting on a flat surface
- B) A written story with a narrative
- ✓ C) A three-dimensional artistic work
- D) A musical performance with instruments

538. DIMENSION

- A) A measurement of weight or mass
- B) A measurement of speed or velocity
- ✓ C) A measurement of size in one direction
- D) A measurement of temperature in degrees

539. COMBINATION

- A) The separation of two different things
- ✓ B) A joining of two or more elements
- C) The removal of all parts from a whole
- D) The isolation of one element from others

540. STRING

- A) A very thick and solid wooden plank
- B) A large chunk of metal material
- ✓ C) A thin piece of cord or thread
- D) A wide and flat sheet of material

541. COORDINATE

- A) To create confusion and disorder
- B) To work against others in competition
- ✓ C) To organize things to work together
- D) To separate things that were connected

542. RADIATION

- A) The absorption of all energy into one point
- ✓ B) Energy emitted as waves or particles
- C) A process of cooling down rapidly
- D) The blocking of all electromagnetic waves

543. ASTRONOMY

- A) The study of the earth's rocks and layers
- ✓ B) The science of the stars and space
- C) The study of weather and climate
- D) The measurement of ocean depths

544. PROSPECT

- A) A definite outcome already achieved
- ✓ B) The possibility of future success
- C) A failure with no hope of recovery
- D) A past achievement no longer relevant

545. MINORITY

- A) The larger part of a total population
- B) Everyone in an equal share
- ✓ C) A smaller group within a larger one
- D) The majority that controls decision making

546. PRESENCE

- A) The complete absence from a location
- ✓ B) The fact of being somewhere
- C) An invisible force with no physical form
- D) The departure from a known place

547. PILE

- A) A single object placed carefully alone
- ✓ B) A heap of things on top of each other
- C) A flat arrangement of items in a row
- D) An empty space cleared of all objects

548. PSYCHOLOGICAL

- A) Related to physical injury and medicine
- ✓ B) Relating to the mind and mental processes
- C) Concerning the structure of the body
- D) About laws and legal systems

549. SPECIALIST

- A) A person with no particular skills
- ✓ B) An expert in a particular area
- C) A student just beginning to learn
- D) A manager responsible for many areas

550. COMPILE

- A) To scatter information widely
- ✓ B) To collect and put things together
- C) To destroy collected data
- D) To ignore available information

551. SUSPECT

- A) To fully trust someone without doubt
- ✓ B) To believe something is true or likely
- C) To completely ignore any possibility
- D) To prove something beyond all doubt

552. VALID

- A) Not acceptable or legally recognized
- B) Based on incorrect information
- ✓ C) Logically sound and acceptable
- D) Completely false and misleading

553. MECHANICS

- A) The study of living organisms
- ✓ B) The study of motion and physical forces
- C) The science of chemical reactions
- D) The study of electrical circuits

554. HORN

- A) A soft and flexible body part
- ✓ B) A hard pointed growth on an animal's head
- C) A flat and smooth patch of skin
- D) A colorful feather found on birds

555. RESOLVE

- A) To create a new problem from nothing
- B) To make a problem worse over time
- ✓ C) To find a solution to a problem
- D) To ignore a problem until it disappears

556. SUSTAIN

- A) To allow something to collapse
- ✓ B) To keep something going over time
- C) To destroy something quickly
- D) To reduce something to its minimum

557. VITAMIN

- A) A harmful chemical that damages the body
- ✓ B) A nutrient essential for health and growth
- C) A type of protein found in meat only
- D) A synthetic drug made in a laboratory

558. APPRECIATE

- A) To see something as worthless or unimportant
- ✓ B) To recognize the value of something
- C) To complain about something given to you
- D) To ignore a kind gesture done for you

559. RECOMMENDATION

- A) A formal objection to a proposed plan
- ✓ B) A suggestion that something is good or right
- C) A criticism of someone's performance
- D) A refusal to offer any opinion

560. ABUNDANT

- A) Very scarce and hard to find
- B) Present in very limited quantities
- ✓ C) Existing in large amounts; plentiful
- D) Just barely enough to survive on

561. SUPPLEMENT

- A) To remove an extra from something already full
- ✓ B) To add something to complete or improve it
- C) To replace the original with something worse
- D) To reduce something to its core

562. TREATMENT

- A) A method of making an illness worse
- ✓ B) The way someone is dealt with or handled
- C) The cause of a disease or problem
- D) The complete ignoring of a medical issue

563. ALCOHOL

- A) A solid mineral found in the ground
- B) A liquid that evaporates in sunlight only
- ✓ C) A liquid that can intoxicate or be used as fuel
- D) A gas used in industrial cooling systems

564. ELECT

- A) To remove someone from a position of power
- ✓ B) To choose someone by voting
- C) To appoint someone without any vote
- D) To ignore the results of a vote

565. ELIMINATE

- A) To add more of something to a system
- B) To preserve and protect something carefully
- ✓ C) To completely remove or get rid of something
- D) To reduce something by only a small amount

566. DEMOCRATIC

- A) Ruled by a single leader with total power
- B) Governed by military command
- ✓ C) Relating to a system of government by the people
- D) Controlled by a small elite group only

567. TEXTILE

- A) A type of food made from grains
- ✓ B) Cloth or woven fabric
- C) A heavy building material used in construction
- D) A chemical compound used in medicine

568. COMMISSION

- A) The act of canceling a project
- ✓ B) An official order or authority given; a fee
- C) A private informal arrangement
- D) A punishment for poor work

569. EXCEED

- A) To fall short of a required amount
- B) To reach exactly the level required
- ✓ C) To go beyond a limit or standard
- D) To remain within acceptable boundaries

570. NUTRITION

- A) The process of removing food from a diet
- ✓ B) The process of providing food for growth and health
- C) The study of physical exercise and fitness
- D) The measurement of calories burned

571. COMPUTE

- ✓ A) To make calculations by hand or machine
- B) To avoid any numerical calculations
- C) To estimate without any real data
- D) To erase all previously stored data

572. CALCULATION

- A) A random guess with no mathematical basis
- ✓ B) The result of mathematical computation
- C) A personal opinion without numerical support
- D) An impossible problem with no solution

573. NEVERTHELESS

- A) As a result of what was said
- B) In addition to what was stated
- ✓ C) In spite of that; however
- D) Therefore and for that reason

574. ENTERTAIN

- A) To bore or disappoint an audience
- ✓ B) To provide amusement or enjoyment
- C) To lecture an audience on a serious topic
- D) To make something difficult to endure

575. PHYSICIST

- A) A scientist who studies living organisms
- ✓ B) A scientist who studies matter and energy
- C) A doctor who treats physical injuries
- D) An engineer who builds structures

576. RESISTANCE

- A) The act of fully accepting change
- B) Complete cooperation with a force or idea
- ✓ C) **The opposition to a force or idea**
- D) The total surrender to a stronger power

577. TROPICAL

- A) Related to cold and icy environments
- ✓ B) **Found in hot and humid regions near the equator**
- C) Located in very dry desert climates
- D) Characteristic of cold mountain areas

578. POLE

- A) The very center of the earth
- ✓ B) **An extreme point at the top or bottom of the earth**
- C) The equator line at the middle of the earth
- D) A moderate climate zone on earth

579. DESCEND

- A) To rise upward to a higher level
- B) To remain at the same altitude
- ✓ C) **To move downward to a lower level**
- D) To move sideways without changing height

580. CONSTITUTION

- A) A temporary and unofficial set of rules
- ✓ B) **A formal set of laws governing a country**
- C) The personal opinions of a president
- D) A single law passed by one leader

581. STEADY

- A) Very shaky and unstable
- ✓ B) **Firm and not wavering; regular**
- C) Changing constantly and randomly
- D) Very fast and gaining speed

582. INHABITANT

- A) A visitor passing through a place
- ✓ B) **A person or animal living in a place**
- C) Someone who refuses to settle anywhere
- D) A ghost or spirit from the past

583. COMMUNISM

- A) A system based on private ownership
- ✓ B) **A political system with common ownership**
- C) A government ruled by elected representatives
- D) A system focused on individual freedom

584. EMBRACE

- A) To push someone away firmly
- ✓ B) **To hold in your arms; to accept warmly**
- C) To ignore someone's presence
- D) To reject an idea without consideration

585. INSPIRE

- A) To make someone feel bored and unmotivated
- ✓ B) To fill someone with creative ideas
- C) To discourage someone from pursuing goals
- D) To confuse someone with complex ideas

586. CONCRETE

- A) Vague and difficult to define
- B) Related only to imaginary ideas
- ✓ C) Real and specific; a building material
- D) Completely abstract with no physical form

587. CONSCIOUSNESS

- A) A state of being completely unconscious
- ✓ B) Awareness of one's self and surroundings
- C) A deep sleep with no awareness
- D) The complete loss of all senses

588. LITERARY

- A) Relating to science and mathematics
- B) Connected to physical and manual work
- ✓ C) Relating to literature and writing
- D) About music and musical performance

589. MIXTURE

- A) A pure substance with only one component
- ✓ B) A combination of different things together
- C) A substance that cannot be combined
- D) A single element in its purest form

590. FEEDBACK

- A) The act of ignoring all responses received
- ✓ B) Information given in response to performance
- C) A personal complaint with no purpose
- D) A final decision that cannot be changed

591. AXIS

- A) The outer edge of a circular shape
- ✓ B) A line around which something rotates
- C) The highest point of a curved surface
- D) The center of mass of a heavy object

592. REALM

- A) A very small and confined space
- ✓ B) A kingdom or domain of activity
- C) A single room within a large building
- D) A border between two separate countries

593. ILLUSTRATION

- A) A verbal description of an event
- ✓ B) A picture or diagram explaining something
- C) A long written explanation of a concept
- D) A statistical table of numbers

594. SPIN

- A) To remain completely still without moving
- ✓ B) To turn around rapidly on an axis
- C) To move in a straight line forward
- D) To fall slowly toward the ground

595. CONCENTRATE

- A) To scatter your attention in all directions
- ✓ B) To think carefully and focus on something
- C) To relax and let the mind wander
- D) To ignore all details of a task

596. PUMP

- A) To store liquid without moving it
- ✓ B) To force liquid or gas in a direction
- C) To heat a liquid to high temperatures
- D) To cool a liquid below freezing

597. OWE

- A) To have paid back a debt fully
- ✓ B) To be under obligation to give something
- C) To receive money from another person
- D) To have no financial obligations

598. ROUTE

- A) A random and disorganized path
- ✓ B) A path or way from one place to another
- C) A dead end with nowhere to go
- D) A barrier blocking all movement

599. CIRCUIT

- A) A straight path that has no return
- ✓ B) A closed path through which electricity flows
- C) A broken wire that stops all current
- D) A single connection between two points

600. HURRICANE

- A) A very gentle and refreshing breeze
- B) A light shower of rain without wind
- ✓ C) A very powerful tropical storm with high winds
- D) A cold weather front bringing snow

601. VICTIM

- A) A person who causes harm to others
- ✓ B) A person who is harmed by something
- C) A person who escapes all danger
- D) A person who helps others in danger

602. PLOT

- A) A random sequence of unrelated events
- ✓ B) The plan or storyline of a book or movie
- C) An ending with no beginning or middle
- D) A collection of unconnected characters

603. FLUID

- A) A solid substance with a fixed rigid shape
- ✓ B) A substance that flows like liquid or gas
- C) A very hard material that resists all pressure
- D) A frozen substance at very low temperature

604. STABLE

- A) Frequently changing and hard to predict
- B) Fragile and about to collapse at any moment
- ✓ C) Firm and not likely to change or fail
- D) Moving constantly without any rest

605. SQUEEZE

- A) To gently place something without pressure
- ✓ B) To press something firmly with force
- C) To lift something off the ground
- D) To stretch something beyond its limit

606. DETECT

- A) To hide something from being found
- B) To destroy evidence before it is found
- ✓ C) To discover or notice something
- D) To completely ignore signs of something

607. CONDUCTOR

- A) Something that blocks all electrical flow
- ✓ B) A material that allows electricity to flow
- C) A device that generates electricity
- D) An insulator that prevents all current

608. IMPLY

- A) To say something very directly and clearly
- ✓ B) To suggest something without saying it directly
- C) To deny any hidden meaning completely
- D) To confuse the listener deliberately

609. TRACTOR

- A) A vehicle used only for racing on tracks
- ✓ B) A large vehicle used for farm work
- C) A small boat used for river transport
- D) A machine used for mining underground

610. RELIGION

- A) The study of physical laws and science
- ✓ B) A system of beliefs and worship
- C) A political system governing society
- D) A cultural tradition about cooking food

611. DEFINITE

- A) Uncertain and open to interpretation
- ✓ B) Clearly established and certain
- C) Vague and hard to pin down
- D) Likely but not yet confirmed

612. PLATE

- A) A very deep bowl for holding soup
- ✓ B) A flat surface for eating food; a layer
- C) A rounded container with high walls
- D) A thin flexible covering for a wound

613. WIRE

- A) A thick rope made of twisted plant fibers
- ✓ B) A thin flexible metal strand for electricity
- C) A rigid metal bar used in construction
- D) A soft thread used in sewing

614. MERE

- A) Very large and unusually significant
- ✓ B) Only this and nothing more; very small
- C) Quite impressive and worth noting
- D) Unknown and difficult to describe

615. SUM

- A) The difference between two values
- B) The product of two multiplied numbers
- ✓ C) The total amount when added together
- D) A single isolated number with no context

616. UTTER

- A) To keep completely silent and say nothing
- ✓ B) To speak or say something out loud
- C) To hide your thoughts from everyone
- D) To communicate only through gestures

617. VANISH

- A) To appear suddenly from nowhere
- B) To become brighter and more visible
- ✓ C) To disappear completely from sight
- D) To grow slowly over a long period

618. FREEZE

- A) To heat something above its boiling point
- B) To turn into liquid from a solid state
- ✓ C) To become or make very cold or solid
- D) To evaporate into the atmosphere

619. SKYSCRAPER

- A) A very small single-story home
- B) A bridge crossing a body of water
- ✓ C) A very tall building in a city
- D) An underground tunnel system

620. QUANTITY

- A) The quality or appearance of something
- B) The color or texture of a material
- ✓ C) The amount or number of something
- D) The age or date of something

621. SCATTER

- A) To collect and bring everything together
- ✓ B) To spread things in different directions
- C) To carefully organize into neat piles
- D) To destroy everything in a single area

622. SLOPE

- A) A perfectly flat and level surface
- ✓ B) A surface that rises or falls at an angle
- C) A completely vertical wall at ninety degrees
- D) A smooth and perfectly round shape

623. COLUMN

- A) A horizontal beam running across a ceiling
- ✓ B) A vertical structure used as support
- C) A flat section of a floor
- D) A diagonal bracing in a building

624. DIAMETER

- A) The distance from the center to the edge
- ✓ B) The distance all the way across a circle
- C) The distance around the outside of a circle
- D) The area inside a circular shape

625. PURSUIT

- A) The act of giving up and abandoning a goal
- ✓ B) The chasing or seeking of something
- C) A deliberate avoidance of responsibility
- D) The hiding from someone who follows

626. THEREBY

- A) In contrast to what was previously stated
- ✓ B) As a result of that; by that means
- C) Despite everything stated previously
- D) Without any connection to what was said

627. EXPANSION

- A) The shrinking of something to a smaller size
- ✓ B) The increase in size or extent of something
- C) The complete destruction of a system
- D) A reduction in all available resources

628. ROTATE

- A) To move in a straight line forward
- B) To remain completely still at all times
- ✓ C) To turn in a circle around a fixed point
- D) To fall downward from a high position

629. CANAL

- A) A natural river flowing through mountains
- ✓ B) An artificial waterway for boats
- C) A large lake formed by a dam
- D) A deep trench dug for mining

630. CONFUSE

- A) To make something perfectly clear
- B) To simplify so that everyone understands
- ✓ C) To make someone unable to think clearly
- D) To help someone solve a difficult problem

631. WAGE

- A) A one-time bonus payment for success
- ✓ B) A regular payment for work done
- C) A loan borrowed to start a business
- D) A fine given for breaking a rule

632. CURE

- A) Something that makes a disease worse
- B) The cause of a medical problem
- ✓ C) A treatment that ends a disease
- D) A symptom of an untreated illness

633. RIDGE

- A) A deep valley between two mountains
- B) A flat and completely level plain
- ✓ C) A long and narrow raised area
- D) A wide river with a strong current

634. FREQUENCY

- A) The total duration of an event
- ✓ B) The number of times something happens per unit time
- C) The strength or power of a wave
- D) The direction in which a wave travels

635. SUPERIOR

- A) Below and of lesser quality than others
- B) Equal to others in all measured ways
- ✓ C) Higher in quality, rank, or value
- D) Difficult to use or understand

636. PREVAIL

- A) To lose after a long struggle
- ✓ B) To succeed or be most common
- C) To give up before reaching the goal
- D) To remain equal with no winner

637. RECREATION

- A) Hard and stressful work with no breaks
- B) Rebuilding something that was destroyed
- ✓ C) Leisure activities done for enjoyment
- D) A formal duty that must be fulfilled

638. STRIPE

- A) A single large dot with no shape
- ✓ B) A long narrow band of color
- C) A perfectly round circle of color
- D) An irregular patch of different color

639. POISON

- A) A substance that heals and cures diseases
- ✓ B) A substance that causes harm or death
- C) A liquid that has no effect on health
- D) A gas that improves air quality

640. BARN

- A) A luxury apartment in a large city
- B) A small house used for family living
- ✓ C) A large farm building for animals or storage
- D) A factory used for industrial production

641. HARVEST

- A) The planting of seeds in spring
- ✓ B) The collection of crops at the end of the season
- C) The process of watering fields daily
- D) The clearing of land before farming

642. MICROPHONE

- A) A device for blocking all nearby sound
- ✓ B) A device for capturing and amplifying sound
- C) A tool for producing musical notes
- D) A machine for playing back recorded audio

643. PROCEDURE

- A) A random and disorganized set of steps
- ✓ B) A series of official steps to follow
- C) The final result of a completed process
- D) A refusal to follow any steps

644. CONSTRUCTION

- A) The demolition of existing structures
- B) The planning of a project on paper
- ✓ C) The process of building something
- D) The sale of completed buildings

645. SKETCH

- A) A detailed and fully finished painting
- ✓ B) A rough drawing or outline of something
- C) A photograph taken with a camera
- D) A sculpture carved from stone

646. HAY

- A) Fresh green grass growing in a field
- ✓ B) Dried grass used as animal feed
- C) Wet soil prepared for planting seeds
- D) A chemical fertilizer for crops

647. BRAVERY

- A) The complete fear of all danger
- ✓ B) Courageous behavior in difficult situations
- C) The avoidance of all risky situations
- D) A reluctance to face any challenge

648. REVOLUTIONARY

- A) Traditional and preserving the old ways
- B) Very slow and gradual in making change
- ✓ C) **Completely changing an existing system**
- D) Minor and barely noticeable in effect

649. ASIDE

- A) Directly in front and in the main path
- ✓ B) **To one side; away from the main topic**
- C) Above and at the highest point
- D) Below the most important matter

650. RIGID

- A) Very flexible and easy to bend
- B) Soft and giving under pressure
- ✓ C) **Stiff and not able to bend or change**
- D) Loose and able to move in any direction

651. CONTEMPORARY

- A) Very old and from a distant past
- B) From the future and not yet existing
- ✓ C) **Existing or happening at the same time**
- D) From a long-forgotten historical era

652. CONCEAL

- A) To reveal something for all to see
- B) To display something in a public place
- ✓ C) **To hide something from view**
- D) To show something in great detail

653. FIERCE

- A) Very calm and peaceful in manner
- B) Gentle and easy to get along with
- ✓ C) **Very intense or aggressive**
- D) Slow and without any energy

654. OBSERVER

- A) A person actively involved in events
- ✓ B) **A person who watches without participating**
- C) A leader who directs all activities
- D) A person who changes the outcome of events

655. QUAKE

- A) A gentle and soothing vibration
- ✓ B) **A sudden violent shaking of the ground**
- C) A slow and gradual shifting of plates
- D) A very light breeze in the atmosphere

656. MEASUREMENT

- A) A guess made without any instruments
- ✓ B) **The act of finding the size or amount of something**
- C) A personal opinion about the size of things
- D) A random assignment of numbers

657. PROBABILITY

- A) The certainty that something will happen
- B) The complete impossibility of an event
- ✓ C) The likelihood of something happening
- D) The definite outcome already achieved

658. CRUSH

- A) To gently lift something with care
- ✓ B) To press or squeeze something until it breaks
- C) To support something from collapsing
- D) To expand something to a larger size

659. RESIST

- A) To fully accept and embrace something
- B) To eagerly cooperate with a force
- ✓ C) To oppose or fight against something
- D) To surrender to a superior power

660. TEMPTATION

- ✓ A) A strong desire to do something you should not
- B) A complete lack of interest in anything
- C) A fear of doing something new
- D) A reward for avoiding bad behavior

661. UNDERGO

- A) To escape from a difficult experience
- ✓ B) To experience something done to you
- C) To avoid any difficult process
- D) To put someone else through an experience

662. WORKSHOP

- A) A formal classroom with desks and chairs
- ✓ B) A place or event for practical work and learning
- C) A large office building downtown
- D) A department store selling goods

663. DRAIN

- A) To fill something with more liquid
- ✓ B) To cause liquid to flow away
- C) To block the flow of all water
- D) To keep water at a constant level

664. ILLUSTRATE

- A) To remove all pictures from a document
- ✓ B) To explain by using examples or pictures
- C) To hide the meaning of a text
- D) To make something harder to understand

665. ARRANGEMENT

- A) A completely random scattering of things
- ✓ B) An organized plan or order for things
- C) The destruction of a previous order
- D) A disagreement about how to organize things

666. PRIVILEGE

- A) A duty that everyone must perform equally
- ✓ B) A special right or advantage given to someone
- C) A punishment for breaking the rules
- D) A restriction placed on certain people

667. CHAMPION

- A) A person who comes last in a competition
- ✓ B) A winner or strong supporter of a cause
- C) A judge who scores a competition
- D) A neutral observer of events

668. FAINT

- A) Very bright and clearly visible
- B) Very loud and easy to hear
- ✓ C) Very weak or barely noticeable
- D) Very strong and impossible to miss

669. CONTINUOUS

- A) Stopping and starting repeatedly
- B) Happening with long breaks in between
- ✓ C) Without interruption; without stopping
- D) Occurring only occasionally

670. WIDTH

- A) The height from bottom to top
- B) The depth from front to back
- ✓ C) The measurement from side to side
- D) The total volume of an object

671. MINIMUM

- A) The largest amount possible
- B) The average of a set of values
- ✓ C) The smallest amount possible
- D) The most common value in a set

672. CONTINENT

- A) A single very large country
- ✓ B) One of the large land masses of the earth
- C) An island surrounded entirely by water
- D) A deep trench at the bottom of an ocean

673. STRAIT

- A) A wide open plain between mountains
- ✓ B) A narrow waterway connecting two seas
- C) A deep lake in the middle of a continent
- D) A large coastal area with many islands

674. IMMIGRANT

- A) A person born and raised in their home country
- ✓ B) A person who moves to a new country to live
- C) A person who travels for tourism only
- D) A person who returns to their birth country

675. CERTAINTY

- A) A strong feeling of doubt and confusion
- ✓ B) The state of being completely sure
- C) A slight possibility of an outcome
- D) An educated guess about the future

676. DISCRIMINATION

- A) A fair treatment of all groups equally
- B) The celebration of diverse cultures
- ✓ C) Unfair treatment of a group based on differences
- D) The legal protection of minority groups

677. INTENTION

- A) An action done without any plan
- ✓ B) What one plans or aims to do
- C) A surprise that was never expected
- D) A result that nobody wanted

678. PERMISSION

- A) A denial of any request made
- ✓ B) Official approval to do something
- C) A refusal to allow entry
- D) A punishment for doing something wrong

679. ATMOSPHERIC

- A) Relating to deep underground spaces
- B) Concerning the layers of the ocean
- ✓ C) Relating to the atmosphere or mood
- D) About the inner structure of the earth

680. RID

- A) To acquire more of something
- ✓ B) To free something of something unwanted
- C) To add to an existing collection
- D) To increase the amount of something

681. WEED

- A) A carefully cultivated garden flower
- ✓ B) A wild plant growing where it is not wanted
- C) A crop planted deliberately for harvest
- D) A decorative plant chosen for beauty

682. THRIVE

- A) To struggle and barely survive
- B) To slowly decline despite all efforts
- ✓ C) To grow and do very well
- D) To exist without any growth

683. EXPEDITION

- A) A stay-at-home vacation with no travel
- ✓ B) An organized journey to a distant place
- C) A local trip within a familiar city
- D) A failed attempt to reach a destination

684. UNDO

- A) To make something permanent and final
- B) To repeat an action more than once
- ✓ C) To reverse or cancel what was done
- D) To strengthen something that was weakened

685. YIELD

- A) To take more than your share
- ✓ B) To produce or give way to something
- C) To resist all demands made of you
- D) To demand more from others

686. NITROGEN

- ✓ A) A gas that makes up most of the air
- B) A liquid metal found at room temperature
- C) A heavy radioactive element in the ground
- D) A rare gas found only in outer space

687. UNITY

- A) A state of division and conflict
- B) A condition of being completely alone
- ✓ C) The state of being joined as a whole
- D) A competition between rival factions

688. SINK

- A) To rise to the surface of water
- B) To float on the surface without effort
- ✓ C) To go below the surface of water
- D) To hover above a body of water

689. MUD

- A) Dry and powdery loose soil
- ✓ B) Wet and sticky soil or earth
- C) Hard and compacted rock material
- D) Fine sand found on a beach

690. HELICOPTER

- A) A fixed-wing aircraft that lands on runways
- ✓ B) An aircraft that rises and moves using spinning blades
- C) A small boat powered by propellers
- D) A land vehicle with very large tires

691. SHALLOW

- A) Very deep and hard to reach the bottom
- B) Very dark and impossible to see through
- ✓ C) Not very deep; lacking depth of thought
- D) Very wide and covering a large area

692. GENIUS

- A) A person of average intelligence
- ✓ B) A person of exceptional intelligence or talent
- C) A person who struggles with all learning
- D) A person who has great physical strength

693. CONSULT

- A) To make a decision without any advice
- ✓ B) To seek advice or information from someone
- C) To ignore the opinions of experts
- D) To impose your own ideas on others

694. COMPULSORY

- A) Optional and done only if one chooses
- B) Completely voluntary with no pressure
- ✓ C) Required by law or rule; mandatory
- D) Suggested but easily declined

695. PRESCRIPTION

- A) A personal preference for a medication
- ✓ B) A doctor's written order for medication
- C) A list of all foods to avoid
- D) An informal suggestion from a pharmacist

696. SPLIT

- A) To firmly join two things together
- B) To combine many things into one
- ✓ C) To divide or break into parts
- D) To repair something that was broken

697. AGGRESSION

- A) A calm and diplomatic approach to conflict
- ✓ B) Hostile or violent behavior toward others
- C) A peaceful resolution of all disputes
- D) A timid and submissive attitude

698. ULTIMATE

- A) The very first and most basic level
- B) A minor and easily overlooked factor
- ✓ C) The highest or most extreme of something
- D) A temporary and short-lived solution

699. COMPRISE

- A) To exclude certain elements from a whole
- ✓ B) To be made up of certain parts
- C) To destroy the contents of something
- D) To be separate from all surrounding things

700. ACCELERATE

- A) To slow down below the normal speed
- B) To remain at a constant fixed speed
- ✓ C) To increase in speed or rate
- D) To stop completely without warning

701. CIRCULATE

- A) To store in one central location
- ✓ B) To move or pass around continuously
- C) To block the movement of something
- D) To concentrate in one fixed spot

702. COLLISION

- A) A planned and coordinated meeting
- B) A gentle brushing of two surfaces
- ✓ C) A violent crash between two objects
- D) A slow and deliberate passing

703. ATOMIC

- A) Relating to large structures and buildings
- B) Concerning the power of the oceans
- ✓ C) Relating to atoms and nuclear energy
- D) About large-scale geological events

704. HALT

- A) To increase speed suddenly
- ✓ B) To come to a complete stop
- C) To change direction without warning
- D) To reverse and go back the way you came

705. ELASTIC

- A) Very rigid and impossible to stretch
- B) Brittle and breaking under any pressure
- ✓ C) Able to stretch and return to shape
- D) Hard and completely fixed in form

706. CYCLIST

- A) A person who repairs and sells bicycles
- B) A person who drives a motorized vehicle
- ✓ C) A person who rides a bicycle
- D) A person who designs cycling routes

707. DESCRIPTION

- A) A physical object that represents something
- B) A mathematical formula for calculating things
- ✓ C) An account of the features of something
- D) A legal document with binding power

708. OBSERVATION

- A) A complete failure to notice anything
- ✓ B) The act of watching and taking note of something
- C) The deliberate hiding of information
- D) An unsupported personal opinion

709. INHABIT

- A) To leave a place permanently
- ✓ B) To live in a particular place
- C) To destroy a habitat completely
- D) To visit a place without staying

710. PYRAMID

- A) A circular structure with a domed top
- B) A flat and rectangular building
- ✓ C) A structure with a square base and triangular sides
- D) A tall and narrow tower building

711. ACCUMULATE

- A) To gradually give away all possessions
- ✓ B) To build up a large amount over time
- C) To suddenly lose everything at once
- D) To keep a constant level without change

712. OCCUPATION

- A) A temporary hobby done occasionally
- ✓ B) A person's job or the taking over of a place
- C) A vacation taken without any work
- D) A legal document proving ownership

713. FORECAST

- A) A record of what happened in the past
- ✓ B) A prediction of what will happen
- C) An account of what is happening now
- D) A wish for a future outcome

714. HELMET

- A) A protective pad worn on the knee
- ✓ B) A hard protective covering worn on the head
- C) A vest worn to protect the chest
- D) A glove worn to protect the hands

715. SURGERY

- A) The treatment of illness with medication alone
- ✓ B) A medical operation performed on the body
- C) A physical therapy session for recovery
- D) A mental health consultation with a therapist

716. DEPARTURE

- A) The act of arriving at a destination
- ✓ B) The process of leaving a place
- C) The decision to stay in one location
- D) The moment of settling in a new home

717. PUNISHMENT

- A) A reward given for excellent behavior
- B) An encouragement for trying harder
- ✓ C) A penalty given for doing wrong
- D) A gift given as a sign of appreciation

718. DAWN

- A) The middle of the night at midnight
- B) The time when the sun goes down
- ✓ C) The time when daylight first appears
- D) The middle of the afternoon

719. PRESCRIBE

- A) To forbid the use of a treatment
- ✓ B) For a doctor to recommend a medicine
- C) To create a medicine from natural ingredients
- D) To sell medication without authorization

720. VIVID

- A) Very pale and difficult to see clearly
- B) Dull and lacking in any color or detail
- ✓ C) Producing strong and clear images or feelings
- D) Blurry and hard to make out

721. TENSE

- A) Completely relaxed without any strain
- ✓ B) Feeling or showing anxiety or stress
- C) Calm and free from all worry
- D) Comfortable and at ease in all situations

722. THREAD

- A) A thick rope used for heavy lifting
- B) A hard metallic wire for electricity
- ✓ C) A thin strand of fiber for sewing
- D) A wide flat strip of fabric

723. ALTITUDE

- A) The distance measured below sea level
- B) The horizontal distance between two points
- ✓ C) The height above sea level
- D) The depth of water in an ocean

724. ERUPT

- A) To slowly cool down over a long period
- ✓ B) To burst out suddenly with great force
- C) To gradually fill up with material
- D) To remain completely still and dormant

725. SUNRISE

- A) The moment the sun disappears at night
- B) The highest point the sun reaches at noon
- ✓ C) The time when the sun rises in the morning
- D) The brief period of darkness before dawn

726. PARAGRAPH

- A) A single word standing completely alone
- ✓ B) A group of sentences forming a unit of writing
- C) The title at the top of a document
- D) A single long sentence spanning a page

727. SURGEON

- A) A doctor who treats illness with medication
- ✓ B) A doctor who performs operations
- C) A nurse who assists in hospital wards
- D) A pharmacist who dispenses medication

728. PORTRAIT

- A) A painting of a beautiful landscape
- B) A detailed map of a region
- ✓ C) A picture of a person, especially their face
- D) A photo of an architectural building

729. SHRINK

- A) To expand to a much larger size
- ✓ B) To become or make smaller
- C) To grow taller and wider
- D) To remain exactly the same size

730. MODERATE

- A) At the most extreme possible level
- ✓ B) Neither very large nor very small; average
- C) At the lowest possible level
- D) Going far beyond normal limits

731. MATURE

- A) Very young and not fully developed
- B) Immature and childish in behavior
- ✓ C) Fully developed and grown; behaving sensibly
- D) New and without any real experience

732. BREAKTHROUGH

- A) A minor improvement in an existing system
- ✓ B) A significant discovery or achievement
- C) A complete failure after years of work
- D) A small setback in a long process

733. DAM

- A) A bridge connecting two riverbanks
- B) A canal used for boat transportation
- ✓ C) A barrier built across a river to hold water
- D) A tunnel running beneath a river

734. SWALLOW

- A) To spit something out quickly
- ✓ B) To make something pass through the throat
- C) To chew something for a long time
- D) To keep something in your mouth

735. STRAIGHTFORWARD

- A) Very complicated and hard to understand
- B) Requiring many steps to complete
- ✓ C) Simple and easy to understand
- D) Confusing and full of hidden meanings

736. QUALIFICATION

- A) A reason someone is not suited for a job
- ✓ B) An achievement making someone suitable for a role
- C) A failure to meet the required standard
- D) A personal preference with no official value

737. CONSISTENT

- A) Changing frequently and unpredictably
- ✓ B) Acting in the same way at all times
- C) Unreliable and hard to depend on
- D) Behaving differently in all situations

738. SACRIFICE

- A) To gain something without giving anything
- ✓ B) To give up something valuable for a good cause
- C) To receive something as a free gift
- D) To keep everything you have at all costs

739. MURDER

- A) The accidental and unintentional death of someone
- B) The legal execution of a condemned criminal
- ✓ C) The unlawful and intentional killing of a person
- D) A death from natural causes

740. OCCASION

- A) A routine and everyday activity
- B) A common event with no special meaning
- ✓ C) A special event or particular time
- D) A boring and forgettable moment

741. COMPENSATE

- A) To make someone feel worse about a loss
- ✓ B) To pay or reward someone for loss or work done
- C) To deny responsibility for causing harm
- D) To increase the harm done to someone

742. ALUMINIUM

- A) A very heavy and dense precious metal
- ✓ B) A light and widely used metallic element
- C) A type of plastic used in packaging
- D) A rare earth element found in gemstones

- C) A flat and spread-out arrangement
- D) An empty space with nothing in it

876. BLOSSOM

- A) To wither and die in bad conditions
- B) To fall to the ground from a tree
- ✓ C) To produce flowers; to develop positively
- D) To lose all leaves in autumn

877. INCLINE

- A) A perfectly flat and level surface
- ✓ B) A slope or tendency toward something
- C) A sharp vertical drop
- D) A completely smooth and rounded surface

878. MOTTO

- A) A long and detailed explanation of values
- ✓ B) A short phrase expressing a belief or aim
- C) A private thought never shared publicly
- D) A complex and changing set of rules

879. FRAGILE

- A) Very strong and able to withstand great force
- B) Hard and completely resistant to damage
- ✓ C) Easily broken or damaged
- D) Flexible and able to absorb all impact

880. ACCELERATION

- A) A decrease in the rate of speed
- B) The act of moving at a constant speed
- ✓ C) The rate of increase in speed
- D) The complete stopping of movement

881. STEER

- A) To let go and allow something to drift
- ✓ B) To guide the direction of a vehicle
- C) To increase speed without changing direction
- D) To stop a vehicle using the brakes

882. RADIOACTIVITY

- A) The absorption of all radiation by a material
- ✓ B) The emission of radiation from unstable atoms
- C) The complete blocking of radio waves
- D) The generation of visible light from atoms

883. MOULD

- A) A type of plastic used in packaging
- ✓ B) A fungus that grows on damp surfaces
- C) A smooth and polished metallic surface
- D) A bright and colorful type of paint

884. SWAY

- A) To remain perfectly still at all times
- ✓ B) To move slowly from side to side
- C) To fall straight down without any movement
- D) To spin rapidly in tight circles

885. HARBOUR

- A) A deep trench in the middle of the ocean
- ✓ B) A sheltered area of water for boats
- C) A wide open sea with no protection
- D) A large waterfall on a river

886. GYMNASIUM

- A) A library used for quiet reading
- ✓ B) A room or building for physical exercise
- C) A cafeteria used for eating meals
- D) An art studio for creative work

887. ALLOY

- A) A pure element with just one type of atom
- ✓ B) A mixture of two or more metals
